Comprehensive Care Management and Consultation

Aging Wisely provides consulting services and professional advice for families caring for aging parents or disabled or chronically ill family members. We can help you and your clients with issues such as hiring caregivers to help in the home, evaluating safety, crisis intervention and discharge planning, choosing the best care facility, and questions or concerns regarding Medicare, insurance and public benefits and resources. St. Pete Bar members receive 10% off the initial bill for services provided.

Visit us at [www.agingwisely.com](http://www.agingwisely.com) or call us today at 727-447-5845. Initial consultations can be done at your office, and we offer telephone consultations for families nationwide.
